composed of the CHOICEST The Official Preparations to

Washington, 2.—Minister Angell writes to Commissioner John F. Swift, that his Michigan engagements will not admit of his coming on to Washington before the middle of May. He has therefore invited Mr. Swift to make him a visit at Ann Arbor, for the purpose of crehanging vi we as to their prospective work together, and Swift will do so en route for California, leaving Washington probably text Thesday and arriving at an Francisco ab at the 20th installant and Commissioner Treact expect to reach San Francisco tegether, between the list and 5th of June. Mr. Swift has had several long take in the carolina.

Garden Carpital Rews.

Chicago, 2.—Inter-Ocean's Washington: The selection of Postmister General Key's successor is to be post-conducted friends, announ ing that washes has lessed the Great Western for Canada, this making another trunk line from San Francisco to New Yerk.

James F. Joy went to Europe for this surpose, to secure the lesse from foreign probably the conduction of the carpital Rews. BRANDRETH'S PILLS. reside for California, leaving Washingtos probably next Toesday and arriving at an Francisco ab ut the 20th initial.

Monister Argell and Commissioner Treact expect to reach San Francisco to New York. I gether, between the 1st and 5th of June. Mr. Swift has had several long ta key with the secretary of state during the rat work. He finds that the various appears of the Chinese question as they recent themselves to the people of the Pacific Coest have been subjects of careful government to give the question proper treatment are unhesitatingly acknowledged. The secretary, while taking this ground that all the interests of the country should be considered in the proposed angulators, does not articipate that that there will be a vy serious proper to the with the pacific Coest have will be a vy serious proper for the serious present and proposed in the proposed and temper of Secretary Evarts in laying out the proposed action of the commission, assutely observant of the serious present and proposed string interests of the Pacific Coest. Mr. Swift has also found to the New York yeterday is fast as understood by themselves, and the Canada and the proposed action of the commission, assutely observant of the serious present and proposed action of the commission, assutely observant of the serious present and proposed action of the commission as an additional proper of Secretary Evarts in laying out the proposed action of the commission as an additional proper of the serious present and proposed action of the commission as the proposed action of the diary bill was, as many other microst of the pacific Coest and that a statisticatory treatly be not may for the proposed action.

The proposed of the Pacific Coest and that a statisticatory treatly be not may for the proposed action of the first ballow. The first ballow the first ballow the proposed action of the fir T.C.Armstrong's Grain and Feen Store

prepared they will be such as will be bailty. This is formation it vary surposed the judicious people of the Pacific Ceasion that n estifactory treaty be not made the fault will be with the Chinese government and not with ours. It may be safely predicted from what is already atimeted in efficial quarter that the intructions will clearly and expicitly express the desire and purpose of our covernment to obtain a modification of an Burtingame treaty as will prevent another than to this country modely as laborers. The Donnelly Pinley committee concluded to call an expect the handwriting or importation of Chinese ments this country modely as laborers. The comparatively very small numbers of the Linted States for purposes of traile, defeated as the second of the prevent of the Chinese of the President. The President has nowmented Edward duration carriedly or comparers are not.

skentts, 3.—Manarjals of Alwar, has
ten to government offering to bear
entire cost of mainzaning a native
inent of Afghanasian volunteers and

The vice are ideal signed the inmediate belief control of the United States for purposes of trade, densition, curiosity or commerce are not asidered inimized to our institutions, at the Mongolian colle class is to be coulded by all the berriers that diplomacy can secure.

Affinite in Alghanistan.

Cabel, 2.—General Ross' force has ached Arganisch and General Roberts and consumed the control of the country can secure.

Cabel, 2.—General Ross' force has ached Arganisch and General Roberts and consumed by dilatory proceedings, interposed to prevent Roporomialists, met General Stewart at the same last, the rest of the Candahar force manching through Logac Valley to site that divide. Leading priests and cogar chief have submitted. One himtory is the fifth three submitted. One himtory is the fifth three submitted one himtory is the fifth three submitted one himtory is the fifth of the same of the first in hinten to send there. Later.—The whole of General Ross's called the first in hinten to send there. Later.—The whole of General Ross's called the first in hinten to send there. Later.—The whole of General Ross's called the first in the first in hinten to send there. Later.—The whole of General Ross is considered to allow the send on a mission to Abdurrash Khan. Government is inclined to favor Abdurthman Khan as Americ, but great curious first in the firs

or carrying on correspondence with Reside.

Cabul, 3.—The military force is new again so strong that any operations can be undertaken. The country has been without a suttled government eighteen mouths as dike rural population is in a very disorderly sine. The population of Cabul, comprising partisans of different sirders, is always ready for excitement. The rebellion is now practically ended. Very few rebels remain in arms, and villegers are beloing to hunt them out.

Milwsukes, 2.—The state greenback convention is called to meet in Water-convention, the chicage of the water-decident for instructions of the state conventions. In the primaries in lilinois up to the state convention are Blaine. The rebellion is now practically ended. Very few rebels remain in arms, and villegers are beloing to hunt them out.

Primaries to Wisconsin, yesterlay, Indicate that the delegation will be for Shorman, and certainly solid against a third term. Washburne and Blaine got third term. Washburne and Blaine got think there is no medicine squal to it for from a said a number of votes.

and Octorio Mergan, judge advocate general.

Gree wood writes to the Standard giving his reasons for quitting the Pall Mall Garette. He save: We do not propose to allow our independent paper to be extinguished. Its spirit resides in a new that we have the paper in a new that we have the paper from threstened estignment, I formally offered a large sum for the conyright, which was retused.

The proprietor of the Pall Mall Gazette writes to the Standard, compatically denying that his paper henceforward will be a multisterial journal.

London, 3.—Pursell has been elected to a seat for tork. A. M. Sullivan has comented to stand for Mesth County.

The Home of Contents have appeared to the same but Masonry was as good a religion to die by a price of the paper henceforward will be a multisterial journal.

London, 3.—Pursell has been elected to a seat for tork. A. M. Sullivan has consented to stand for Mesth County.

The Hum.

New York, 3.—The functal Patrick Hog, better known at James Cooke, clown and equestrian, was had questrian, was had questrian, was about to die, he was asked by a priest who attended him to renounce the priest who attended him to renounce the priest who attended him to renounce the subject of the bulk as the Catholic faith, in which he had been acted. He then requested him one but Masonic coremonias should be held over his body, and his remusst was fulfilled to the letter.
